4. 14.11.2008. Heard.

The complainant wife is present in Court. The petitioner is also present in Court. The complainant has stated that the petitioner has got married despite the marriage between the petitioner and the complainant is subsisting. Petitioner has accepted the same and submitted that since the complainant is not returning, he has no other option but to get married second time.

Considering the said state of affair at this stage it would not be appropriate to hold that there may not be substance of evidence constituting the offence under Section 498(A) of the Indian Penal Code. Accordingly, the application for grant of anticipatory bail to the petitioner is rejected.
